

MEMBER NOTICE – October 27, 2020

To assist members because of the Covid-19 pandemic, KCCU proudly waived the charges on email money transfers for 6 months. And to help members further the credit union has reduced personal EMTs from \$1.50 to \$1.00 and business EMTS from \$3.00 to \$2.00.

If you use a lot of email money transfers we strongly encourage you to speak to one of our representatives at your branch to determine the best account for you with the features you need at the best price.
